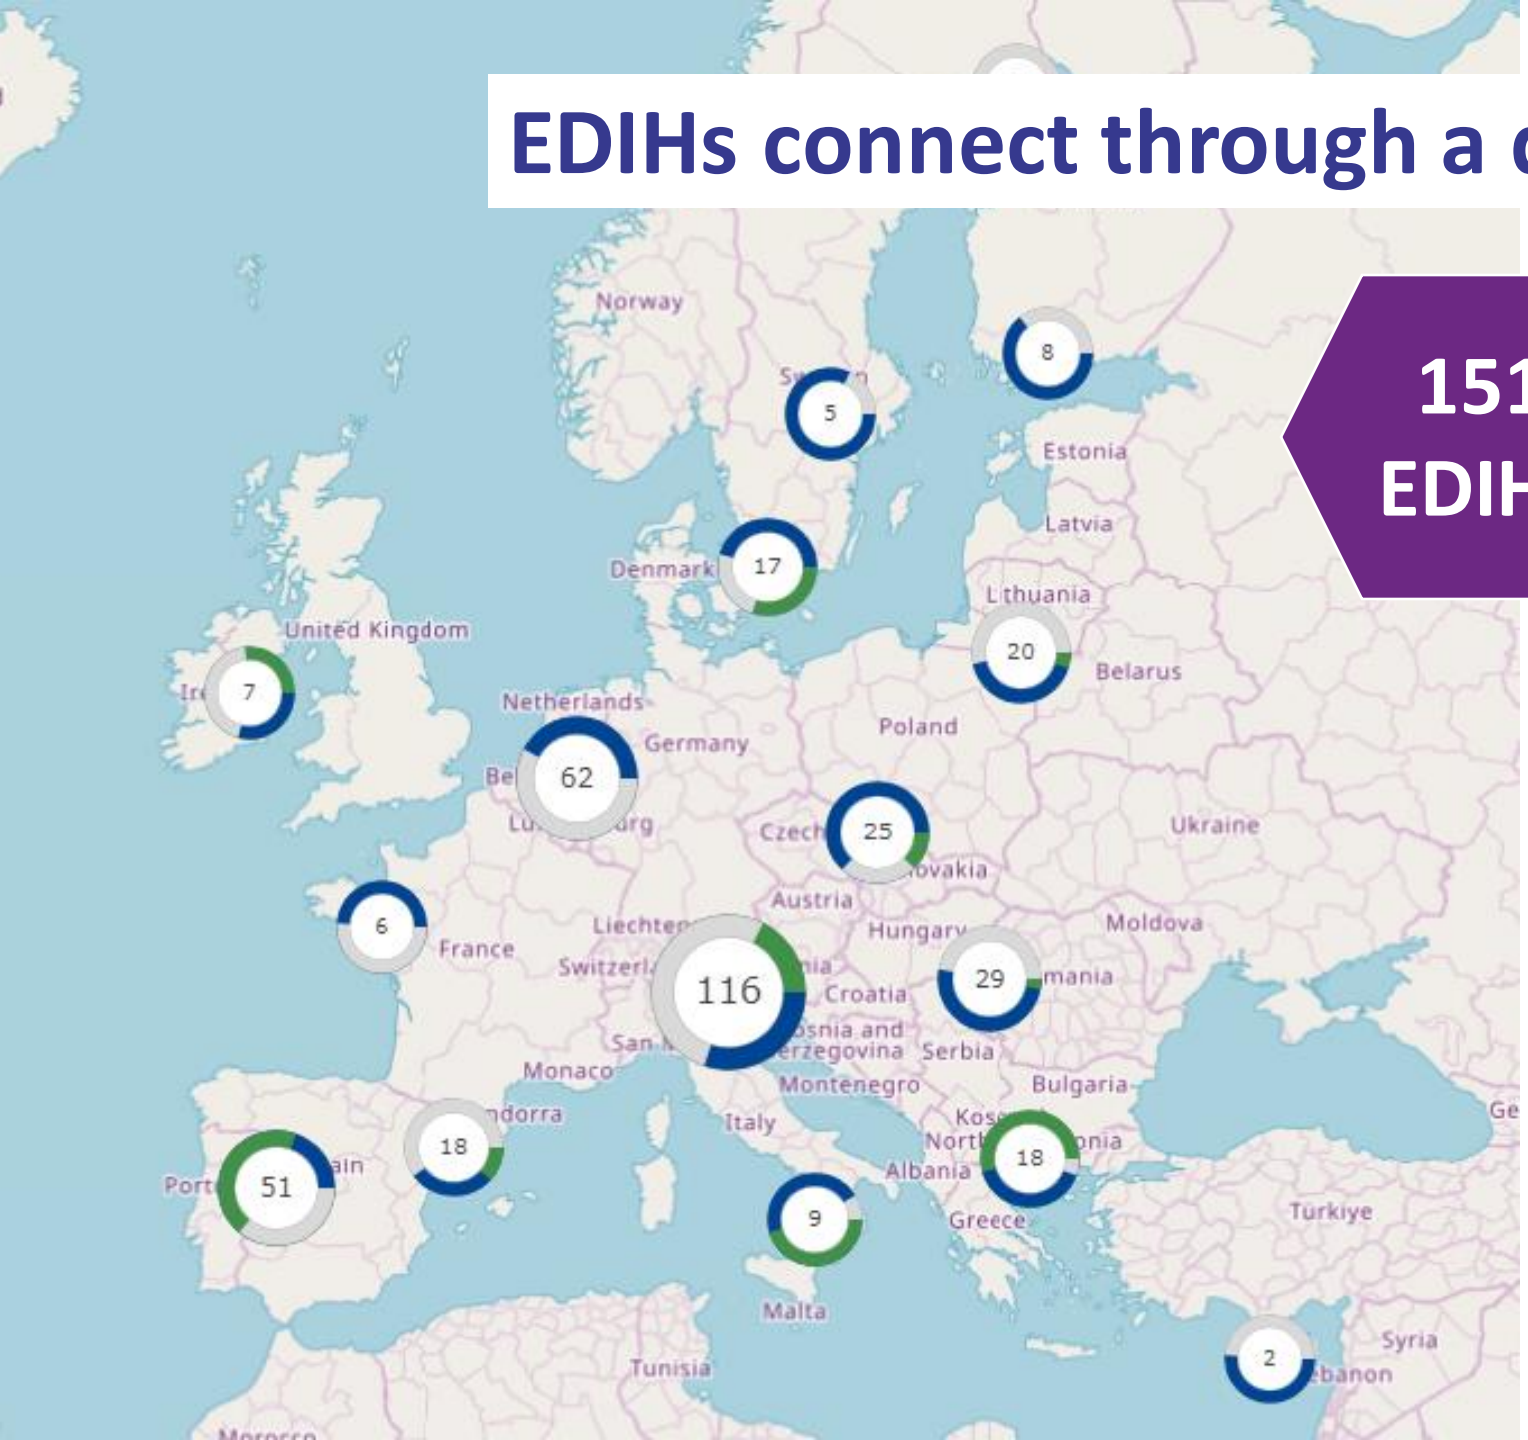
EDIHs connect through a dedicated network



151 EDIHs

- **EU27 + Norway, Iceland, Liechtenstein**
- Future extension to **associated countries**

76 Seals of Excellence

30 countries

15 categories of services

36 sectors

30 types of technologies

European Commission

What are EDIHs made of?

Nearly 80% SMEs

European Commission

Who are EDIHs helping?

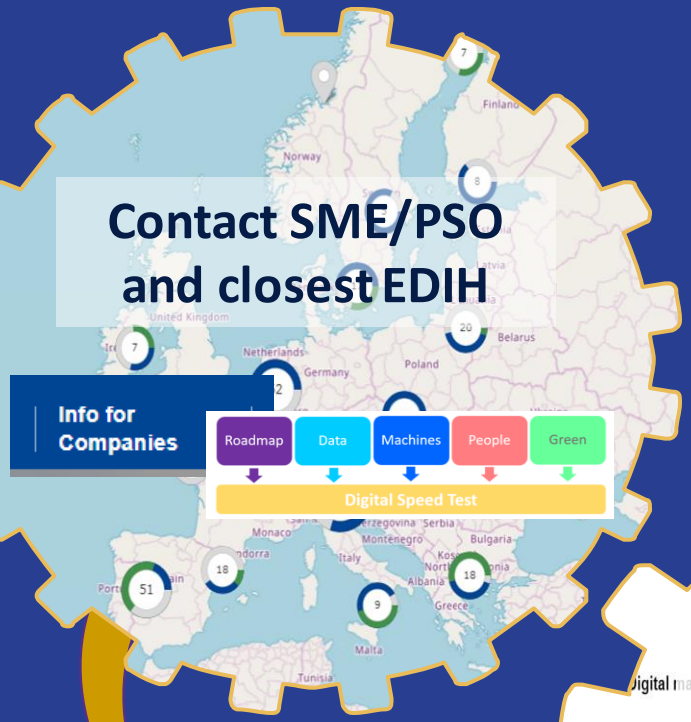
Small- and **M**edium-sized **E**nterprises

Public **S**ector **O**rganisations

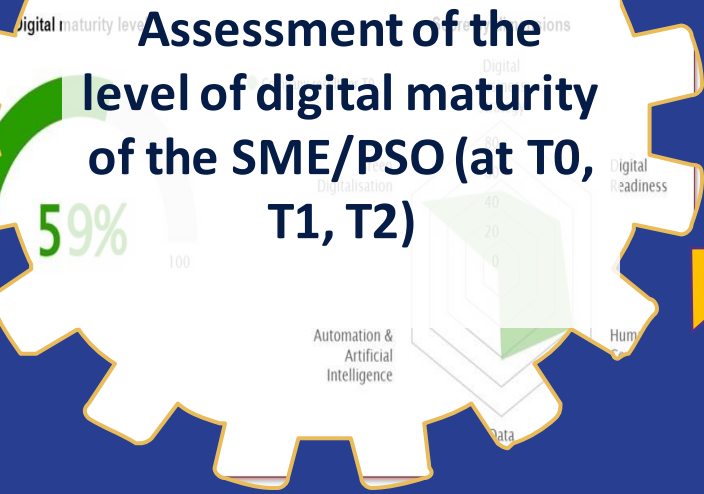
European Commission

How do EDIHs support SMEs and PSOs?

Contact SME/PSO and closest EDIH



Assessment of the level of digital maturity of the SME/PSO (at T0, T1, T2)



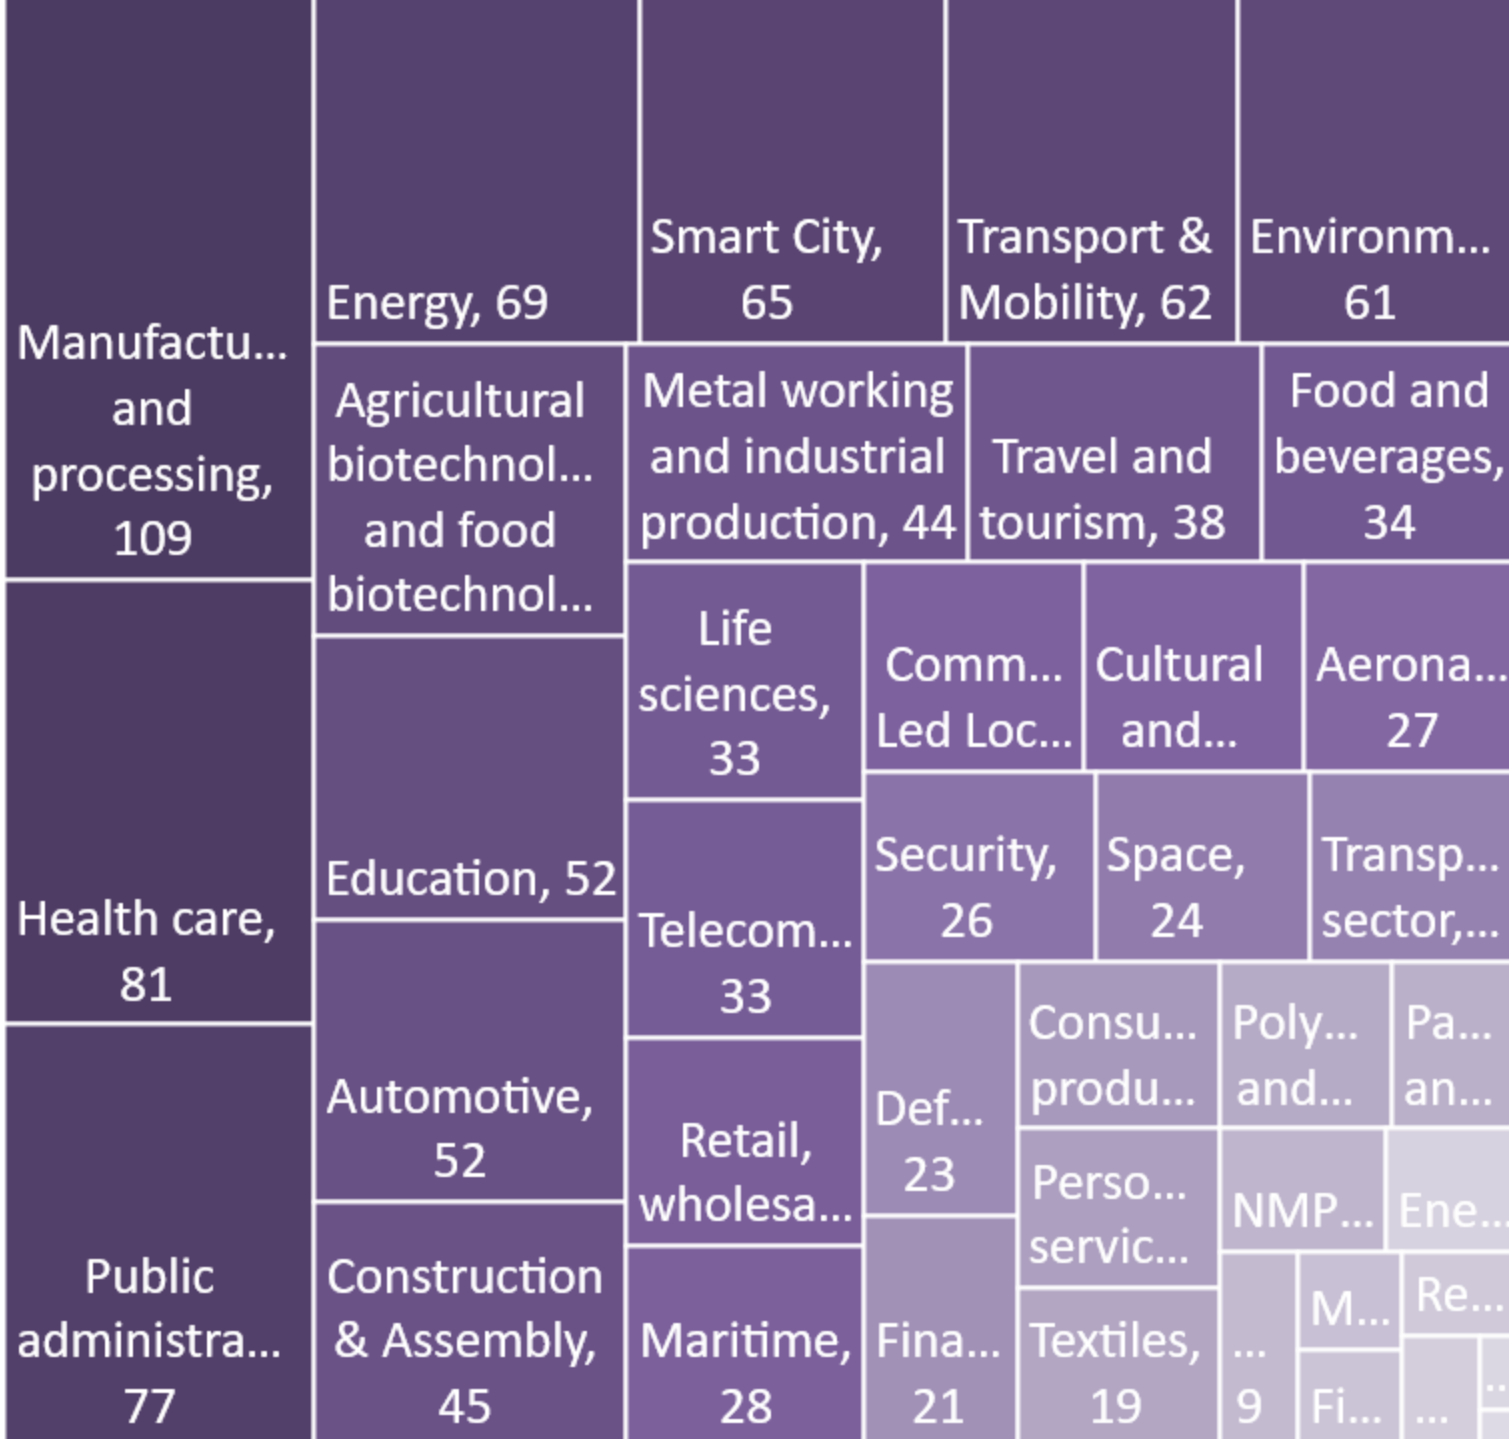
Provision of EDIH's services

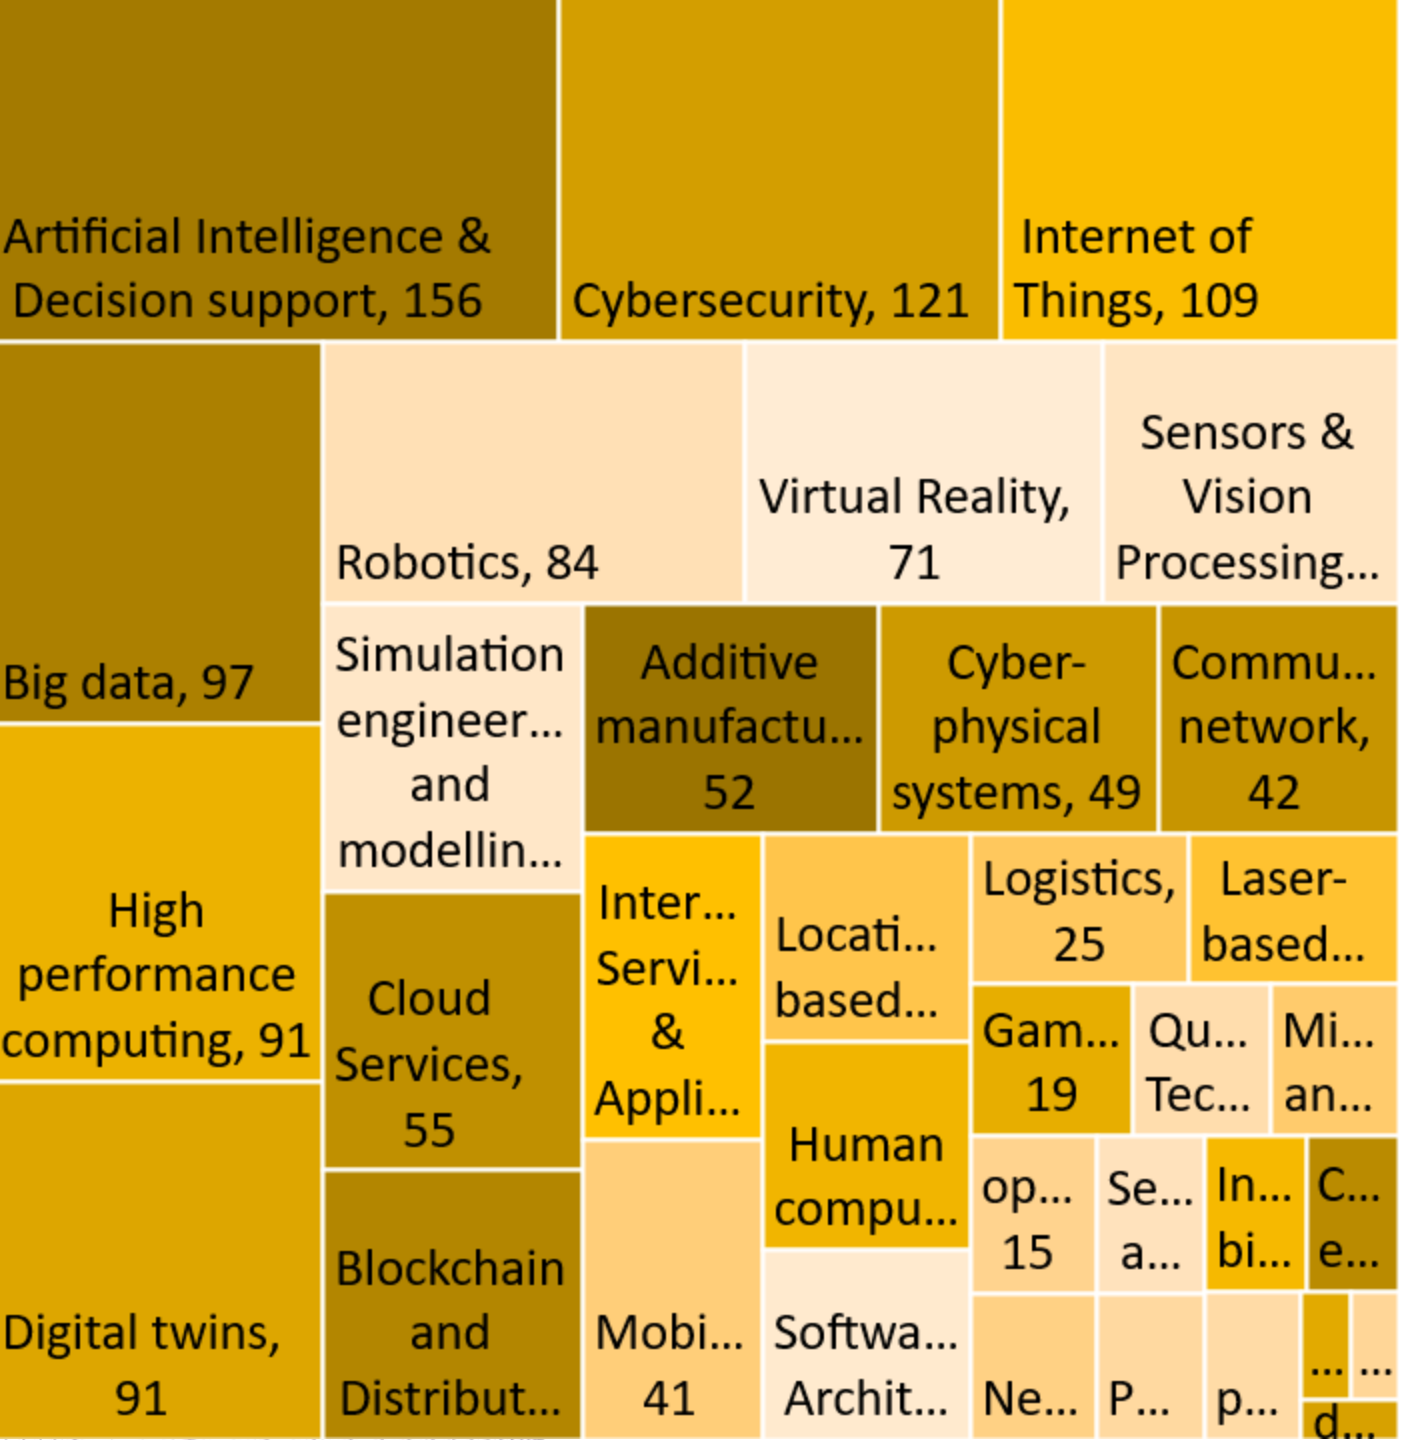
- Test before invest
- Support to find investment
- Skills and trainings
- Innovation and networking

European Commission

40 sectors

1. Manufacturing
2. Healthcare
3. Public Administration





35 technologies

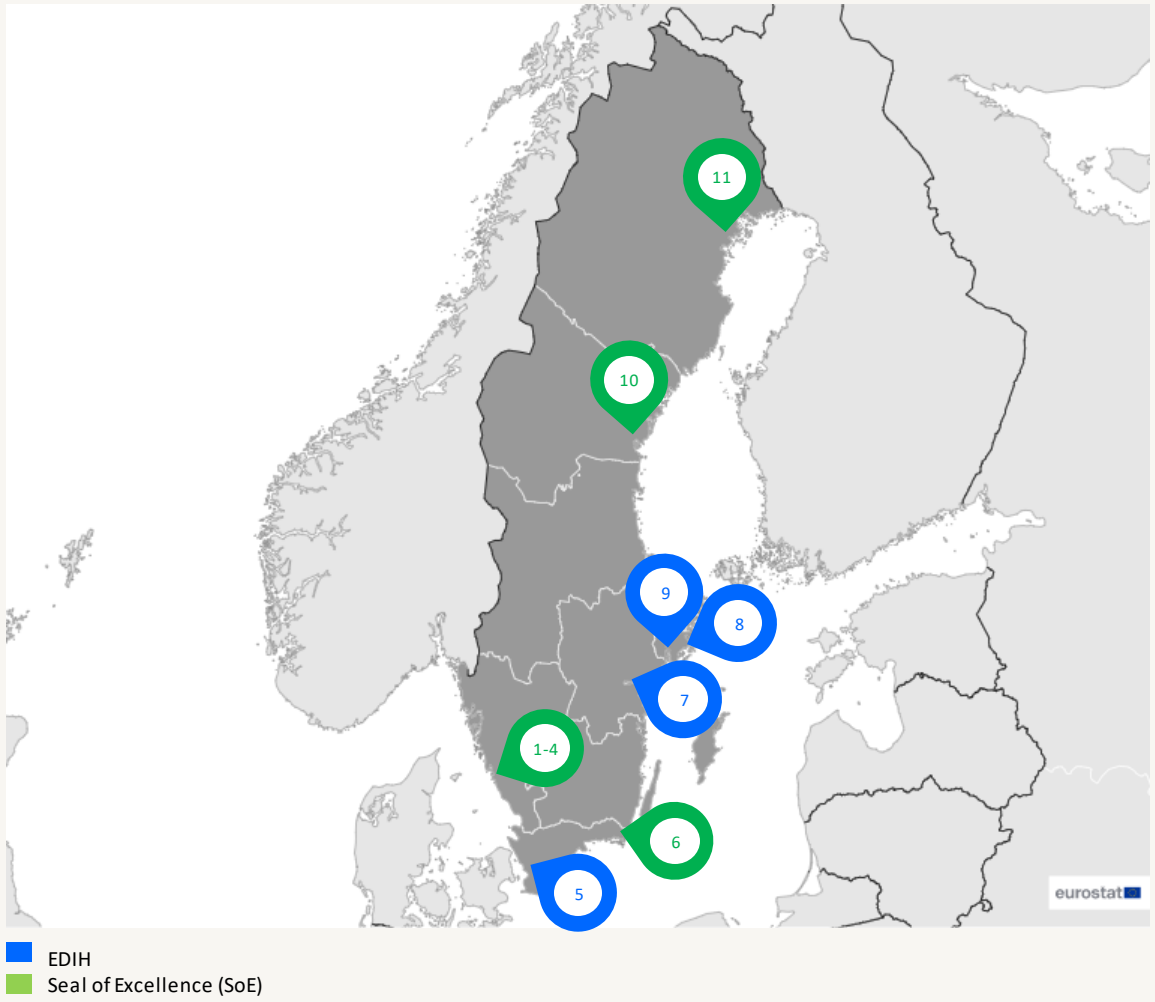
1. Artificial Intelligence
2. Cybersecurity
3. IoT

European Commission

Sweden

National EDIH Network

11 EDIHs	Distributed throughout Sweden	Good regional coverage	4 EDIH*	7 SoE
29 Sectors	• Manufacturing & Processing, Public Administration and Automotive most covered sectors • More than three EDIHs are active in these sectors			
33 Technologies	• AI, Simulation Engineering and Digital Twins most covered technologies • More than four EDIHs have expertise in these three technologies			



*Funded unded Digital Europe Programme

Thematic Working Groups

- Networking the network
- Sustainability
- Data in manufacturing
- Public Administration with focus on AI
- Tourism
- Digital Business Models
- Construction
- Cybersecurity
- Digital health
- Smart Connectivity

Get involved in the EDIH Network!

Download our multiplier kit and help to spread the word about the EDIH network.

Boost the EDIH Network and its mission by creating and publishing an informative article, a thought-provoking blog post, or an engaging interview with our digital innovation hub representatives.
Share your creative ideas and insights with our team.

Establish connections between your own endeavours and the EDIH Network where applicable (for example, by featuring relevant news on your website or newsletter, linking to the EDIH Network website on your own platform, participating in or organising events centered around digital innovation, and sharing insights on digital transformation via your social media accounts).

Start discussions about the EDIH Network with your colleagues, networks, and fellow stakeholders, and ensure that EDIH Network materials provided in this toolkit are readily available across your communication channels.

Support the EDIH Network's mission by sharing, re-posting, and endorsing social media content related to it.

Seize every opportunity to promote the EDIH Network, using the resources provided in the Communications Toolkit.
